

If you are a fun, friendly, and passionate hygienist whose patients are top priority and you enjoy working with a talented, easygoing team, then we would love to meet you.

We have full-time and part time dental hygiene positions available. Hours and days are negotiable. Salary and benefits are competitive for our area and depend on experience. Benefits include 401K matching, dental coverage, medical coverage, paid time off, gym membership, plus others.

Our modern and growing office offers comprehensive, advanced dental care in a comfortable and relaxing environment. We believe exceptional hygienists are essential in providing the highest level of dental care possible. Our team members love what we do, where we work, and are committed to being the best we can be!
